

SHARE YOUR EXPERIENCE!

The North Jersey Transportation Planning Authority is updating its Regional Coordinated Human Services Transportation Plan. The plan seeks to understand the transportation needs and priorities of older adults, veterans, low-income persons, and individuals with disabilities living in northern and central New Jersey.

Human services transportation can have a profound effect on the lives of the people it serves. With accessible, affordable, and convenient transportation options, people can stay connected to their friends and family, and get to the places where they need and want to go.

Please share your experiences and insights by participating in a short survey that will inform the development of the Plan.

By completing a survey, you will be entered into a drawing to **WIN A \$100 AMERICAN EXPRESS GIFT CARD**. Five gift cards will be awarded. Winners will be selected at random.
