

# Learn about recommendations for the Berkshire Valley Road Truck Circulation Freight Concept Development Project

Join us on

**Wednesday, March 15, 2023**

Virtual Meeting: 6:30 – 8:00 pm

(Presentations at 6:30 and 7:15)

Visit [berkshirevalleyroadstudy.com](http://berkshirevalleyroadstudy.com) for meeting information.

Morris County and the North Jersey Transportation Planning Authority (NJTPA) are hosting this meeting to inform the public about the findings and recommendations of the Freight Concept Development (FCD) study that investigated options to eliminate the height restriction that the Chester Branch rail bridge creates on Berkshire Valley Road and explored potential improvements to better accommodate truck movements at the intersection of Berkshire Valley Road and North Dell Avenue. The public is encouraged to attend and provide comments on the study recommendations. For more information, please visit: [berkshirevalleyroadstudy.com](http://berkshirevalleyroadstudy.com)
