

# Come learn about the Berkshire Valley Road Truck Circulation Freight Concept Development Project

Join Us On

**September 21, 2021**

Virtual Meeting: 6:30 – 8:00 pm

(Presentations at 6:30 and 7:15)

Visit [berkshirevalleyroadstudy.com](http://berkshirevalleyroadstudy.com)

for meeting information

Morris County and the North Jersey Transportation Planning Authority (NJTPA) are hosting this meeting to inform the public about the Freight Concept Development (FCD) study to investigate options to eliminate the height restriction that the Chester Branch rail bridge creates on Berkshire Valley Road and to explore potential improvements to better accommodate truck movements at the intersection of Berkshire Valley Road and North Dell Avenue. The public is encouraged to attend and provide input for this study.
