

# LET'S TALK

## TRANSPORTATION

*Your input is critical to inform Essex County's  
next long-range transportation plan.*

Join us for virtual listening session, where you can tell us what works (and doesn't) in the transportation system you use every day. We want to hear your thoughts and ideas about a variety of transportation opportunities and concerns.

The plan, known as Essex 2045, will recommend projects, strategies, and policies that will affect everyone in Essex County.

### Virtual Open House

Thursday, September 29, 2022  
4:00 PM – 7:00 PM

### Register today to participate
