Open Data Portal: The Need

- Increased requests for data.
- Need for central repository of data.
- Ability to share and collaborate with subregions and partner agencies.

NJTPA Open Data Portal

NJTPA GIS & Data Resources

Follow

The North Jersey Transportation Planning Authority's (NJTPA) public platform to explore, share and download data and information. Discover new applications, data or training opportunities in the NJTPA region. The NJTPA encourages you to follow this initiative to stay up-to-date on all upcoming and current GIS and data resource items.

Open Data Portal: Functionality

- Share data

As the NJTPA continues to support data sharing among our partner agencies, subregions and the public, we ask contributors to provide quarterly updates each fiscal year. The schedule to contribute is below. Click the button below to share your data.

First Quarter: July 1 to July 15

Second Quarter: October 1 to October 15

Third Quarter: January 1 to January 15

Fourth Quarter: April 1 to April 15

Upload

If you want to learn more about the NJTPA's EGIS project click [here](#) for more information.

(Note: The Upload button is available for people that have existing accessibility to OneDrive. If you would like to share data and do not have access please contact Gabrielle Fausel at gfausel@njtpa.org.)

Next Steps

- Continue maintenance of the site
- Added functionality as it becomes available
