March 14, 2022

Dear NJTPA Board Member:

I am pleased to present the 2022 North Jersey Transportation Planning Authority (NJTPA) Board of Trustees Handbook. As a key leader at one of the nation's largest Metropolitan Planning Organizations, you can shape our region's future.

This is an exciting time for the NJTPA and all of us, with the recent passage of the federal Infrastructure Investment and Jobs Act (IIJA). This historic investment in our nation's transportation system increases funding to existing programs and introduces new grant opportunities. The NJTPA will play a key role in overseeing the federal funding coming into our region.

While the COVID-19 pandemic and its impacts have presented challenges over the past two years, we maintained continuous operations and successfully delivered all components of our work program, even during times when health precautions dictated that our staff work entirely remotely. Board and Committee meetings also became fully remote, a situation that will continue until further notice.

You will find that this handbook provides essential information, including an overview of the NJTPA's planning and capital programming processes; contact information for Board members, partner agencies and others; the NJTPA by-laws; and additional important material.

As an NJTPA Trustee, you have significant responsibility. You formulate policies, guide investment decisions, and help coordinate all aspects of regional transportation planning. The Board approves billions of dollars in transportation investment for our 13-county region to improve roads, bridges, rail and bus transit, bicycle and pedestrian facilities, and more. This work makes travel safer and more efficient while protecting our environment and creating a more resilient transportation system.

Our website, [njtpa.org](http://njtpa.org), is a vast resource that I encourage you to explore. We also update our social media regularly with information about our latest activities. I encourage you to share our posts and spread the word about how the NJTPA is improving our region under the Board's leadership.

*The Metropolitan Planning Organization for Northern New Jersey*

I want to take a moment to welcome our new Board members and thank those of you who are continuing your service. I look forward to working with you all. If you have any questions or want more information, please reach out to me at any time.

Sincerely,

A handwritten signature in blue ink that reads "Mary D. Ameen". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.

Mary D. Ameen,  
Executive Director

## **I. Overview of the Metropolitan Planning Organization (MPO)**

### MPO Overview

The NJTPA is the seventh largest Metropolitan Planning Organization (MPO) in the nation, serving about 7 million people. Its 4,200-square-mile jurisdiction has a diverse geography encompassing urban, suburban and rural areas.

MPOs are regional transportation planning bodies mandated and funded by Congress. They are made up of representatives from local government and key transportation agencies. Congress created MPOs to give local elected officials a stronger role in guiding federal transportation investment and to ensure that these decisions are based on a continuing, cooperative and comprehensive planning process.

The NJTPA Board of Trustees includes 15 elected officials. They represent 13 counties—Bergen, Essex, Hudson, Hunterdon, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union and Warren—and the cities of Newark and Jersey City. These are called the NJTPA “subregions.”

The Board also includes a Governor’s Representative, the Commissioner of the New Jersey Department of Transportation (NJDOT), the President & CEO of NJ TRANSIT, the Chairman of the Port Authority of New York & New Jersey and a Citizens’ Representative appointed by the Governor.

Two other MPOs cover the remaining New Jersey counties. The Delaware Valley Regional Planning Commission (DVRPC) serves Mercer, Burlington, Camden and Gloucester counties (in addition to Philadelphia and four counties in Pennsylvania) and the South Jersey Transportation Planning Organization (SJTPO) covers Atlantic, Salem, Cumberland and Cape May counties.

The NJTPA also works with other MPOs through the Metropolitan Area Planning (MAP) Forum, a consortium of 10 MPOs and Councils of Governments comprised of the New York Metropolitan Transportation Council and Orange County Transportation Council in New York; Lehigh Valley Planning Commission in Pennsylvania; and Connecticut Metropolitan Council of Governments, South Central Regional Council of Governments, Lower Connecticut River Valley Council of Governments, Naugatuck Valley Council of Governments, Western Connecticut Council of Governments and Capitol Region Council of Governments in Connecticut.

### Background

Congress first required the creation of MPOs in urbanized areas in the Federal-Aid Highway Act of 1962 but granted them little power. In 1991, the federal Intermodal Surface Transportation Efficiency Act (ISTEA) greatly enhanced the authority of MPOs. ISTEA required MPO approval for allocating federal funding for many types of highway and transit projects.

Congress has continued to support MPO planning in subsequent transportation reauthorization laws. The latest reauthorization is the Infrastructure Investment and Jobs Act (IIJA) signed into law in 2021 (see the Legislation tab for more information).

Most importantly, Congress has empowered local government representatives—like you—to participate directly in an inclusive, deliberate planning process that involves decisions about federally funded projects in your own communities.

The NJTPA is incorporated under the laws of the State of New Jersey. Its planning activities are closely monitored by relevant federal funding agencies, mainly within the U.S. Department of Transportation (USDOT) and the U.S. Environmental Protection Agency (EPA). The New Jersey Institute of Technology (NJIT) is the NJTPA's host agency, providing financial, administrative and human resources functions (see the Host-Agency Overview tab for more information).

### Work Products

The NJTPA prepares and updates several federally required documents that detail investments and planning activities, oversees a variety of transportation programs and identifies location-specific mobility needs and strategies to address them.

The NJTPA seeks to ensure equal access for all citizens to its programs and services and actively promotes public involvement, providing opportunities for meaningful input into decision making.

Making travel safer is a top priority and it is factored into all aspects of the NJTPA's transportation planning and investment decision-making. The NJTPA addresses other key areas in its planning work, including technology, freight, bicycles and pedestrians, transit, climate change and resiliency, and alternative fuels.

In addition, the NJTPA analyzes data to assess the performance of the transportation system. As required under federal regulations, the NJTPA works

with its partners—including other MPOs, NJDOT and NJ TRANSIT—to set and track targets for measuring performance. To carry out its responsibilities, the NJTPA uses specialized computer systems including a travel demand model and Geographic Information Systems (GIS).

Below is additional information about the key products, programs and documents that guide the agency's work.

### Required Products

- ***Long Range Transportation Plan (LRTP)***—Updated every four years, the plan includes an analysis of regional trends and sets a vision for planned transportation improvements during the next 25 to 30 years.
- ***Transportation Improvement Program (TIP)***—This four-year agenda of transportation improvements with dedicated funding is updated every two years. Proposed projects must be included in the TIP, approved by the NJTPA Board, to be eligible for federal funding.
- ***Air Quality Conformity Determination***—The NJTPA conducts an analysis of the air quality impacts of projects in the LRTP and TIP to demonstrate they adhere to state and federal air quality standards.
- ***Unified Planning Work Program (UPWP)***—This annual document summarizes transportation planning activities that the NJTPA staff, member agencies and other transportation agencies in the region will carry out.

### Transportation Planning & Local Programs

- ***Regional Studies***—From the adequacy of freight facilities to promising applications of new traffic control technologies to forecasts of future trends and conditions, the studies conducted through this program explore issues that affect the entire region.
- ***Subregional Studies Program***—This competitive program provides two-year grants to individual subregions (or subregional teams) to help refine and develop transportation improvement strategies rooted in the LRTP.
- ***Subregional Transportation Planning (STP) Program***—This program provides formula-based funding to each subregion for essential transportation planning, programming and administrative activities, including public participation.

- ***Transportation Management Associations (TMAs)***—The state’s eight TMAs work with employers and the public sector to help provide effective and efficient commuting and other transportation options. The NJTPA oversees the development of annual TMA work programs and coordinates activities among the TMAs, the subregions, NJ TRANSIT, NJDOT and other partners in regional mobility.
- ***Street Smart NJ***—A statewide pedestrian safety campaign that aims to change the behaviors that contribute to crashes by combining public education and outreach with law enforcement efforts. Visit [BeStreetSmartNJ.org](https://www.beestreetsmartnj.org) for additional information.
- ***Planning for Emerging Centers***—From sustainable economic development plans, to complete streets and Transit Village planning, this competitive funding program supports municipal efforts to create more transit-supportive, walkable communities.
- ***Freight Concept Development Program***—Advances projects identified in planning studies to concept development, which identifies needs and potential solutions for addressing them.
- ***Transportation Clean Air Measures (TCAM)***—Through this program, the NJTPA works with partner agencies to develop transportation projects that will reduce harmful emissions and benefit air quality.
- ***Performance Measures***—Data-driven targets are set and tracked, and projects are selected to help meet those goals. The measures focus on seven national goals: safety, infrastructure preservation, congestion reduction, system reliability, freight movement and economic vitality, environmental sustainability and reduced project delivery delays.
- ***Local Capital Project Delivery Program***—This competitive program provides funding to subregions to prepare proposed transportation projects for eventual construction. The subregions identify problems and needs and develop projects through the various phases of this program.
- ***Local Safety and High Risk Rural Roads Programs***—These competitive programs provide funds to subregions for high-impact safety improvements on local facilities. They range from pedestrian improvements in New Jersey’s largest cities to skid-prevention treatments on winding country roads.

### Public Outreach and Involvement

The NJTPA actively seeks the input and involvement of a broad array of stakeholders and the public in order to make the best decisions for the region. This work is guided by the Public Engagement Plan and includes public meetings (in-person and virtual), formal public comment periods, special events, social media, the NJTPA and project websites, and more. The Public Engagement Plan describes the NJTPA's goals and objectives for public involvement while also identifying specific approaches, techniques, and opportunities for ongoing communication and interaction with the public. All the NJTPA's Board and Committee meetings, held virtually since the COVID-19 pandemic, are open to public and Board meetings are livestreamed on the website.

This year, the NJTPA has launched a pilot Public Outreach Liaison program as part of its efforts to include traditionally underrepresented groups in transportation planning. In addition, UpNext North Jersey, the NJTPA's young adults' advisory group is open to residents ages 18-30 to learn about NJTPA-funded projects and studies and provide input.

### Civil Rights

The NJTPA conducts its programs, services and activities in compliance with Title VI of the 1964 Civil Rights Act and other federal non-discrimination policies and statutes, as required as a recipient of federal funds. These efforts are guided by the Title VI Implementation Plan, adopted by the Board in 2019 and updated in 2021. This policy prohibits discrimination based on race, disability, sex, age, income or national origin.

The NJTPA's planning and programming activities seek to ensure compliance by annually collecting data on the region's residents in terms of age, race, income, English proficiency, disabilities and zero-vehicle households. For additional information visit [njtpa.org/TitleVI](https://njtpa.org/TitleVI).

### Together North Jersey

Together North Jersey (TNJ) is a coalition of more than 100 diverse partners—non-profits, government agencies, educational institutions, businesses, elected officials, community activists and others. This group works to make the region more competitive, efficient, livable and resilient—four overarching themes identified in its 2015 Plan, which is slated to be updated in 2022. The NJTPA, together with Rutgers, the State University of New Jersey, and NJ TRANSIT, helps lead the organization.

Recommendations in the TNJ Plan range widely, touching upon transportation, health and safety, natural systems, housing, education, workforce training, job access, arts, culture, business, industry, economic development, energy and climate change. The NJTPA continues to work with its partners on implementing plan recommendations through four task forces—one for each of the themes—which meet regularly. In addition, the NJTPA's long-range transportation plan builds on the TNJ Plan and helps to implement its recommendations. Visit [togethernorthjersey.com](https://togethernorthjersey.com) for additional information.

## II. Mission/Strategic Directions

### Mission and Strategic Directions

The NJTPA is the regional transportation planning leader and technical and informational resources for the people of northern New Jersey.

#### **The mission of the NJTPA is to:**

*Create a vision* to meet the mobility needs for people and goods;

*Develop a plan* for transportation improvement and management to fulfill the vision;

*Partner* with citizens, counties, cities, state, and federal entities to develop and promote the transportation plan;

*Prioritize federal funding* assistance to make the plan a reality; and

*Link* transportation planning with safety and security, economic growth, environmental protection, growth management, and quality of life goals for the region.

The NJTPA is guided by five strategic directions that aim to make the agency a stronger, more effective leader in transportation planning, investment and decision making while improving how the agency operates. They are:

- **Board Development**—Realize greater opportunities for Board members to engage in matters relating to their particular interests and organizational affiliations while providing policy leadership and leading the NJTPA into new areas of endeavor. Actions include greater outreach and networking, advancement of priority projects and working with partner agencies.
- **Communicating the NJTPA**—Enhance the NJTPA's leadership in the region through increased awareness of the organization's mission and activities. A Public Engagement Plan engages stakeholders, builds partnerships with other organizations, educates the public through forums and symposiums, and expands the use of print and electronic media, among other actions.
- **Facilitating Growth**—Expand the NJTPA's mission to address emerging issues in the region such as air quality, climate change, livable communities, economic development, housing and land use, among others. Actions include identifying and securing new sources of flexible funding, establishing new partnerships on key issues and continued innovation.

- ***Improving Internal Operations***—Improve the NJTPA’s operational efficiency, freeing up internal resources to better address emerging regional issues. Actions include staff development, streamlining procedures, the expanded use of information technology and new approaches to staff collaboration.
- ***Developing Performance Measures***—Establish the linkage between the NJTPA’s planning activities and improved mobility, economic growth, environment, and quality of life. Actions include defining new measures, developing supporting data, expanding analytical efforts, and increasing the reporting associated with greater federal emphasis on performance metrics.

### **III. NJTPA Board of Trustees**

There are 20 voting Trustees on the NJTPA Board. This includes 15 local elected officials: the Mayors of Newark and Jersey City; County Commissioners or County Executives from the region's 13 counties, as well as a representative from the Governor's Authorities Unit, the Commissioner of the New Jersey Department of Transportation, the President and CEO of NJ TRANSIT, the Chairman of the Port Authority of New York & New Jersey, and a Citizens' Representative appointed by the Governor.

The NJTPA has three standing committees—Planning & Economic Development; Project Prioritization; and Freight Initiatives. Each Trustee is a member of at least one committee. Committee meetings feature discussion of a full range of state, regional, and local transportation planning issues as well as action items to be placed before the full Board after committee deliberation and recommendation. (See the Committee Assignments tab for descriptions of each committee's mission and current Trustee membership.) Central staff located in Newark supports the Board and committees. The NJTPA staff also supports and directs planning work by county and city members. A Regional Transportation Advisory Committee (RTAC) composed of planners and engineers from the subregions meets every other month to review regional issues.

The Board of Trustees meets every two months. Committee meetings are held on alternate months. All Board and committee meetings are open to the public. The NJTPA website ([njtpa.org](http://njtpa.org)) includes a meetings calendar.

### **The NJTPA Trustee Officers**

The NJTPA Chair, First Vice Chair, Second Vice Chair, and Secretary are elected every two years by majority vote of the full Board of Trustees. The Third Vice Chair is appointed by the Chair. Officers constitute the Executive Committee, which has authority to act on behalf of the NJTPA Board of Trustees (when not in session) for administrative matters, but not for matters relating to transit, highway planning or project selection. Three members of the Executive Committee constitute a quorum.

### **Involvement of Local Government Officials**

As noted, 15 of the 20 Trustees are local elected officials. The NJTPA's federal sponsors have repeatedly cited the level of involvement by these officials as a "best practice." Sustained direct involvement by elected officials—through attendance and participation at Board and committee meetings—is essential to ensure that funding and planning decisions are accountable to the public. Each Trustee is responsible to see that this principle is upheld.

### **Board Meetings Are a Public Forum**

NJTPA Board of Trustees meetings are open to the public and often attended by planners, engineers, business and labor leaders, environmental advocates, academics, commuter groups, concerned citizens, state and federal agency representatives, neighboring MPOs, and media representatives, among others. The public is given the opportunity to comment before any action at Board meetings and a public comment period on other matters is held at the end of each meeting.

#### **IV. NJTPA Committee Assignments 2022-2023**

## The Mission of the Planning and Economic Development Committee is:

To oversee regional and corridor-based planning activities including the update of the Long Range Transportation Plan (LRTP) and NJTPA work related to promoting regional economic development. The Committee also reviews and approves funding for the annual Unified Planning Work Program (UPWP), which includes all Central Staff activities; the Study & Development (S&D) Program, which includes future projects in various stages of planning; and the Subregional Transportation Planning and Subregional Studies programs.

**Meeting Schedule** Every other month, three weeks prior to Board meetings.

## BIOGRAPHY

**K**evin J. O'Toole was nominated to the Port Authority of New York & New Jersey Board of Commissioners by former Governor Christie. He joined the Board of Commissioners and was elected Chairman in 2017, when he also joined the NJTPA Board.

As the founding and managing partner of O'Toole Scrivo, O'Toole's law practice encompasses toxic tort, environmental law, risk management, class actions, complex litigation, and corporate investigations. O'Toole has served as both National Coordinating Counsel for corporate clients and operational leader of multi-jurisdictional litigation teams.

O'Toole has had a long and distinguished career in public service at the

local and state level. He served on the Cedar Grove Town Council and as Mayor. He also served several terms in the New Jersey General Assembly and State Senate. O'Toole retired as a state senator in 2017 to begin his term at the Port Authority

## BIOGRAPHY

**N**oreen Giblin joined the NJTPA Board in 2021. She serves as Deputy Chief Counsel/Director of the Authorities Unit for Governor Phil Murphy. A native of New Jersey, Noreen previously served as the Cabinet Secretary to the Governor, and at the New Jersey Board of Public Utilities, as Chief Counsel during the Murphy Administration. As Chief Counsel, Noreen worked on advancing the Governor's clean energy agenda, including the 2019 Energy Master Plan, the Offshore Wind inaugural solicitation, the establishment of the State's first community solar program and the transition of the state's solar market. Giblin has also served as Counsel at Gibbons P.C. representing businesses on legislative affairs, public policy, and government affairs matters.

During the Corzine Administration, Noreen served as Chief of Staff to the New Jersey Board of Public Utilities, and she was the Chief Advisor to the President of the Board. In this role, Noreen oversaw

the day-to-day management of the Board including core operational, financial, and human resources initiatives.

Noreen formerly served as Director of Executive Office Operations for Governor Corzine and, before that, as State Director to United States Senator Frank Lautenberg where she oversaw the staff and operations throughout New Jersey. She also served as Deputy Director of the Authorities Unit during the administration of Governor James McGreevey.

Giblin received her B.A. from Villanova University, and J.D. from Seton Hall University School of Law.

## **VII. Regional Transportation Advisory Committee (RTAC)**

The Regional Transportation Advisory Committee (RTAC) is composed of county and municipal planners and engineers and state agency representatives who mirror the composition of the NJTPA Board of Trustees.

The RTAC provides a forum for presentation and discussion on regional issues. It also performs a vital function in reviewing and disseminating information, and making recommendations to the NJTPA Board and its individual Trustees to aid in decision making.

Additionally, RTAC members complement the work of and assist central staff by providing local input on a variety of issues of regional importance. RTAC members also serve an important role in advising central staff on the localized impacts of projects and programs.

\*\*Tuesday meetings (following holiday Mondays)

Due to the ongoing pandemic, all NJTPA Board and committee meetings are conducted remotely until further notice.

Please note that all meetings are subject to change. Contact the NJTPA for confirmation at (973) 639-8400 or check the agency's website at [www.njtpa.org](http://www.njtpa.org).

## **IX. Planning and Capital Programming Process**

As a member of the NJTPA Board of Trustees, one of your most important responsibilities is helping to determine how transportation funding should be invested to improve mobility, safety, and quality of life in the NJTPA region.

In recent years, more than \$2 billion in federal and state funding has been invested annually in the region's transportation system. This funding supports construction of highway improvements, resurfacing of roads, rehabilitation or reconstruction of bridges, acquisition of new transit equipment, enhancement of goods movement facilities and a host of other projects and programs.

Decisions about how and where funding should be invested are made through the NJTPA's planning and capital programming process. The process is conducted in cooperation with the subregions, the New Jersey Department of Transportation (NJDOT), NJ TRANSIT, the Port Authority of New York & New Jersey and other regional partners, with input from the public. This section describes NJTPA's planning activities and three key elements of the capital programming process, often called the "project pipeline": the Long Range Transportation Plan (LRTP), the Study & Development (S&D) Program and the Transportation Improvement Program (TIP).

### **NJTPA Regional Planning**

As a planning agency, much of NJTPA's work focuses on assessing how the transportation system functions and exploring approaches to address problems. This includes analyzing data on where and how people travel, freight movement, accident rates, trends in housing and commercial development and a host of other measures. This often involves using computer models—essentially, desktop simulations of the transportation system—to understand and forecast regional travel and environmental impacts. Often data are arrayed on maps using Geographic Information Systems (GIS) to visualize trends and relationships

All NJTPA planning activities include opportunities for public review and comment, with a particular focus on involving traditionally underserved communities. Studies of transportation needs, at both the regional and local levels, are a key means for developing specific improvement projects to repair or improve roads, rails and bridges. The studies typically take a "multimodal" approach, examining a number of transportation alternatives—road, rail, bicycle, pedestrian and possibly more. Many of these studies are conducted in cooperation with the NJDOT and NJ TRANSIT. Others are initiated by city and county subregions, focusing on local needs, with funding and assistance from the NJTPA.

At the same time, NJTPA projects and programs directly help improve regional transportation—including promoting awareness of pedestrian safety through BeStreetSmartNJ.org; working with municipalities to make streets more accommodating to all users (complete streets); funding and supporting local shuttles and commuting services; funding small scale projects to address road / intersection hazards; and much more.

Partners in these efforts, in addition to state agencies and member subregions, include New Jersey's eight Transportation Management Associations, for which NJTPA provides administrative oversight, and the Together North Jersey consortium, in which NJTPA plays a leadership role along with Rutgers University to support achieving sustainable economic progress as part of a competitive, efficient, livable and resilient region.

### **The Long Range Transportation Plan**

*Plan 2050: Transportation. People. Opportunity.*, adopted in September 2021, is the current version of the NJTPA's federally required LRTP. Updated every four years, the LRTP is a blueprint for long- range transportation planning and investment in the region. Only projects and needs identified by the LRTP are eligible for federal funding.

The LRTP is developed under the guidance of the Board of Trustees, through the Planning and Economic Development Committee. Plan preparation draws upon the NJTPA's ongoing planning activities, described above, and includes a robust public participation process.

The LRTP provides guidance for cost-effective investments while laying out the NJTPA's regional priorities for the coming decades.

Plan 2050 calls for the investment of \$120.6 billion through 2050. Even with this investment, transportation needs will continue to far outstrip available resources. Among the priority strategies identified in Plan 2050: reduce the backlog of needed road and bridge improvements; increase funding for local needs; reduce crashes and ensure the safety of all travelers; support active transportation; support and improve North Jersey's extensive transit system; support local mobility services; help municipalities capitalize on their transit facilities; take advantage of transportation technology; respond to continued growth of freight; and protect open space and enhance environmental quality.

### Study and Development Program

Once a transportation need is identified in the LRTP, the next step in the project pipeline is the S&D Program. Addressing some needs, such as enhancing access to a growing regional center, requires in-depth study of a variety of strategies and alternatives. Others, such as repairing bridges, involve more straightforward engineering alternatives.

The S&D Program lists all project-specific transportation planning work underway. It covers the following phases of work, in sequence:

- **Problem Screening:** This phase investigates a potential transportation deficiency and develops a thorough Problem Statement.
- **Concept Development:** During this phase, project alternatives and strategies are analyzed and a preliminary preferred alternative is developed. A well-defined and well-justified Purpose and Need Statement is drafted. Key stakeholders are identified and engaged. Projects are scored and ranked using project prioritization criteria (see below).

### Transportation Improvement Program

To be eligible for federal funds, a proposed project must address a need identified in the LRTP and be listed in the Board-approved TIP. The TIP is developed under the guidance of the NJTPA Project Prioritization Committee in consultation with the subregions, NJDOT and NJ TRANSIT.

The TIP covers a four-year span and is updated every two years. The TIP is coordinated with the Transportation Capital Program developed by NJDOT and NJ TRANSIT each year for submission to the New Jersey Legislature.

The NJTPA uses a project prioritization process, which includes criteria related to the LRTP goals, to score projects and consider them for inclusion in the TIP. For instance, projects that will improve safety in locations with high crash rates receive extra points, as do projects that help disadvantaged communities or prepare for climate change impacts.

The relative ranking of proposed projects is one consideration in determining project funding. Other factors include the feasibility of project delivery, scheduling and funding availability. Projects must also meet federal eligibility requirements.

The finalized TIP specifies funding and schedules for the following phases of work, which culminate with a completed project:

- **Preliminary Engineering:** Projects are further developed and refined to a level of detail necessary to complete an environmental impact assessment to comply with the National Environmental Policy Act (NEPA).
- **Final Design:** Detailed project specifications are developed and a consultant is selected. In addition, a utilities phase may occur during or after final design to move utilities, if necessary.
- **Right of Way:** This involves acquisition of property needed for the project. This phase can be time consuming and costly, as negotiations must take place and legal issues may need to be sorted out.
- **Construction:** This can last two or more years on major projects and it is usually the most expensive phase of work.

In addition to funding projects at specific locations, the TIP also funds transportation programs, which typically involve ongoing activities such as bridge painting and rail track maintenance.

The TIP must be fiscally constrained based on reasonable estimates of available federal funding. The vast majority of funding allocated through the TIP—whether for highways, bridges or transit—goes toward maintaining or upgrading existing facilities rather than expanding the transportation system. This reflects a “fix it first” approach to investments. Transit projects and programs are usually allocated about \$1 billion annually, reflecting the NJTPA’s commitment to safeguarding the environment and providing increased travel choices for residents.

### Air Quality Conformity Analysis

The NJTPA is required to analyze the air quality impacts of both the TIP and LRTP because New Jersey has not met federal air quality standards. This analysis, called a conformity determination, demonstrates that projects and programs will have a net positive impact on air quality and conform to the New Jersey State Implementation Plan for meeting and maintaining National Ambient Air Quality Standards. To conduct the analysis, NJTPA uses computer modeling to estimate the emissions impact of approved projects and programs. The NJTPA also administers programs and studies to help achieve state goals for reducing greenhouse gases and for improving energy efficiency.

**X. Overview of the NJTPA/NJIT Host-Agency Agreement**

A host-agency arrangement was established in 1993 with the New Jersey Institute of Technology (NJIT), a state-funded university. Under a Memorandum of Understanding (MOU) which governs all aspects of the agreement, the NJTPA is an affiliate of the university. NJTPA staff members are employees of NJIT with the same health, education, leave accrual, collective bargaining, and pension benefits.

Since all federal funds are reimbursable, of paramount consideration was that the host-agency have an available cash flow large enough to handle the NJTPA's annual expenses. All funds flow from the U.S. Department of Transportation to the New Jersey Department of Transportation (NJDOT), and from NJDOT they flow to NJIT. Federal transportation funds, including applicable metropolitan planning funds authorized by the Infrastructure Investment and Jobs Act, are first allocated to state departments of transportation.

For an organization to receive federal funds, it first must document that its accounting, auditing and control procedures confirm that federal monies are spent for the purposes intended. NJIT has been audited and reviewed successfully by the Department of Health and Human Services.

NJIT receives an annual administrative fee for providing NJTPA services such as payroll, human resources administration, purchasing and grants management. In addition, NJIT's grants management and accounting systems furnish accurately detailed records of allowable expenditures for "pass through" grants from the NJTPA to county and city members, known as subregions. Such records are required by federal funding agencies.

**XI. Central Staff and Organization Chart**

## Central Staff and Organization Chart

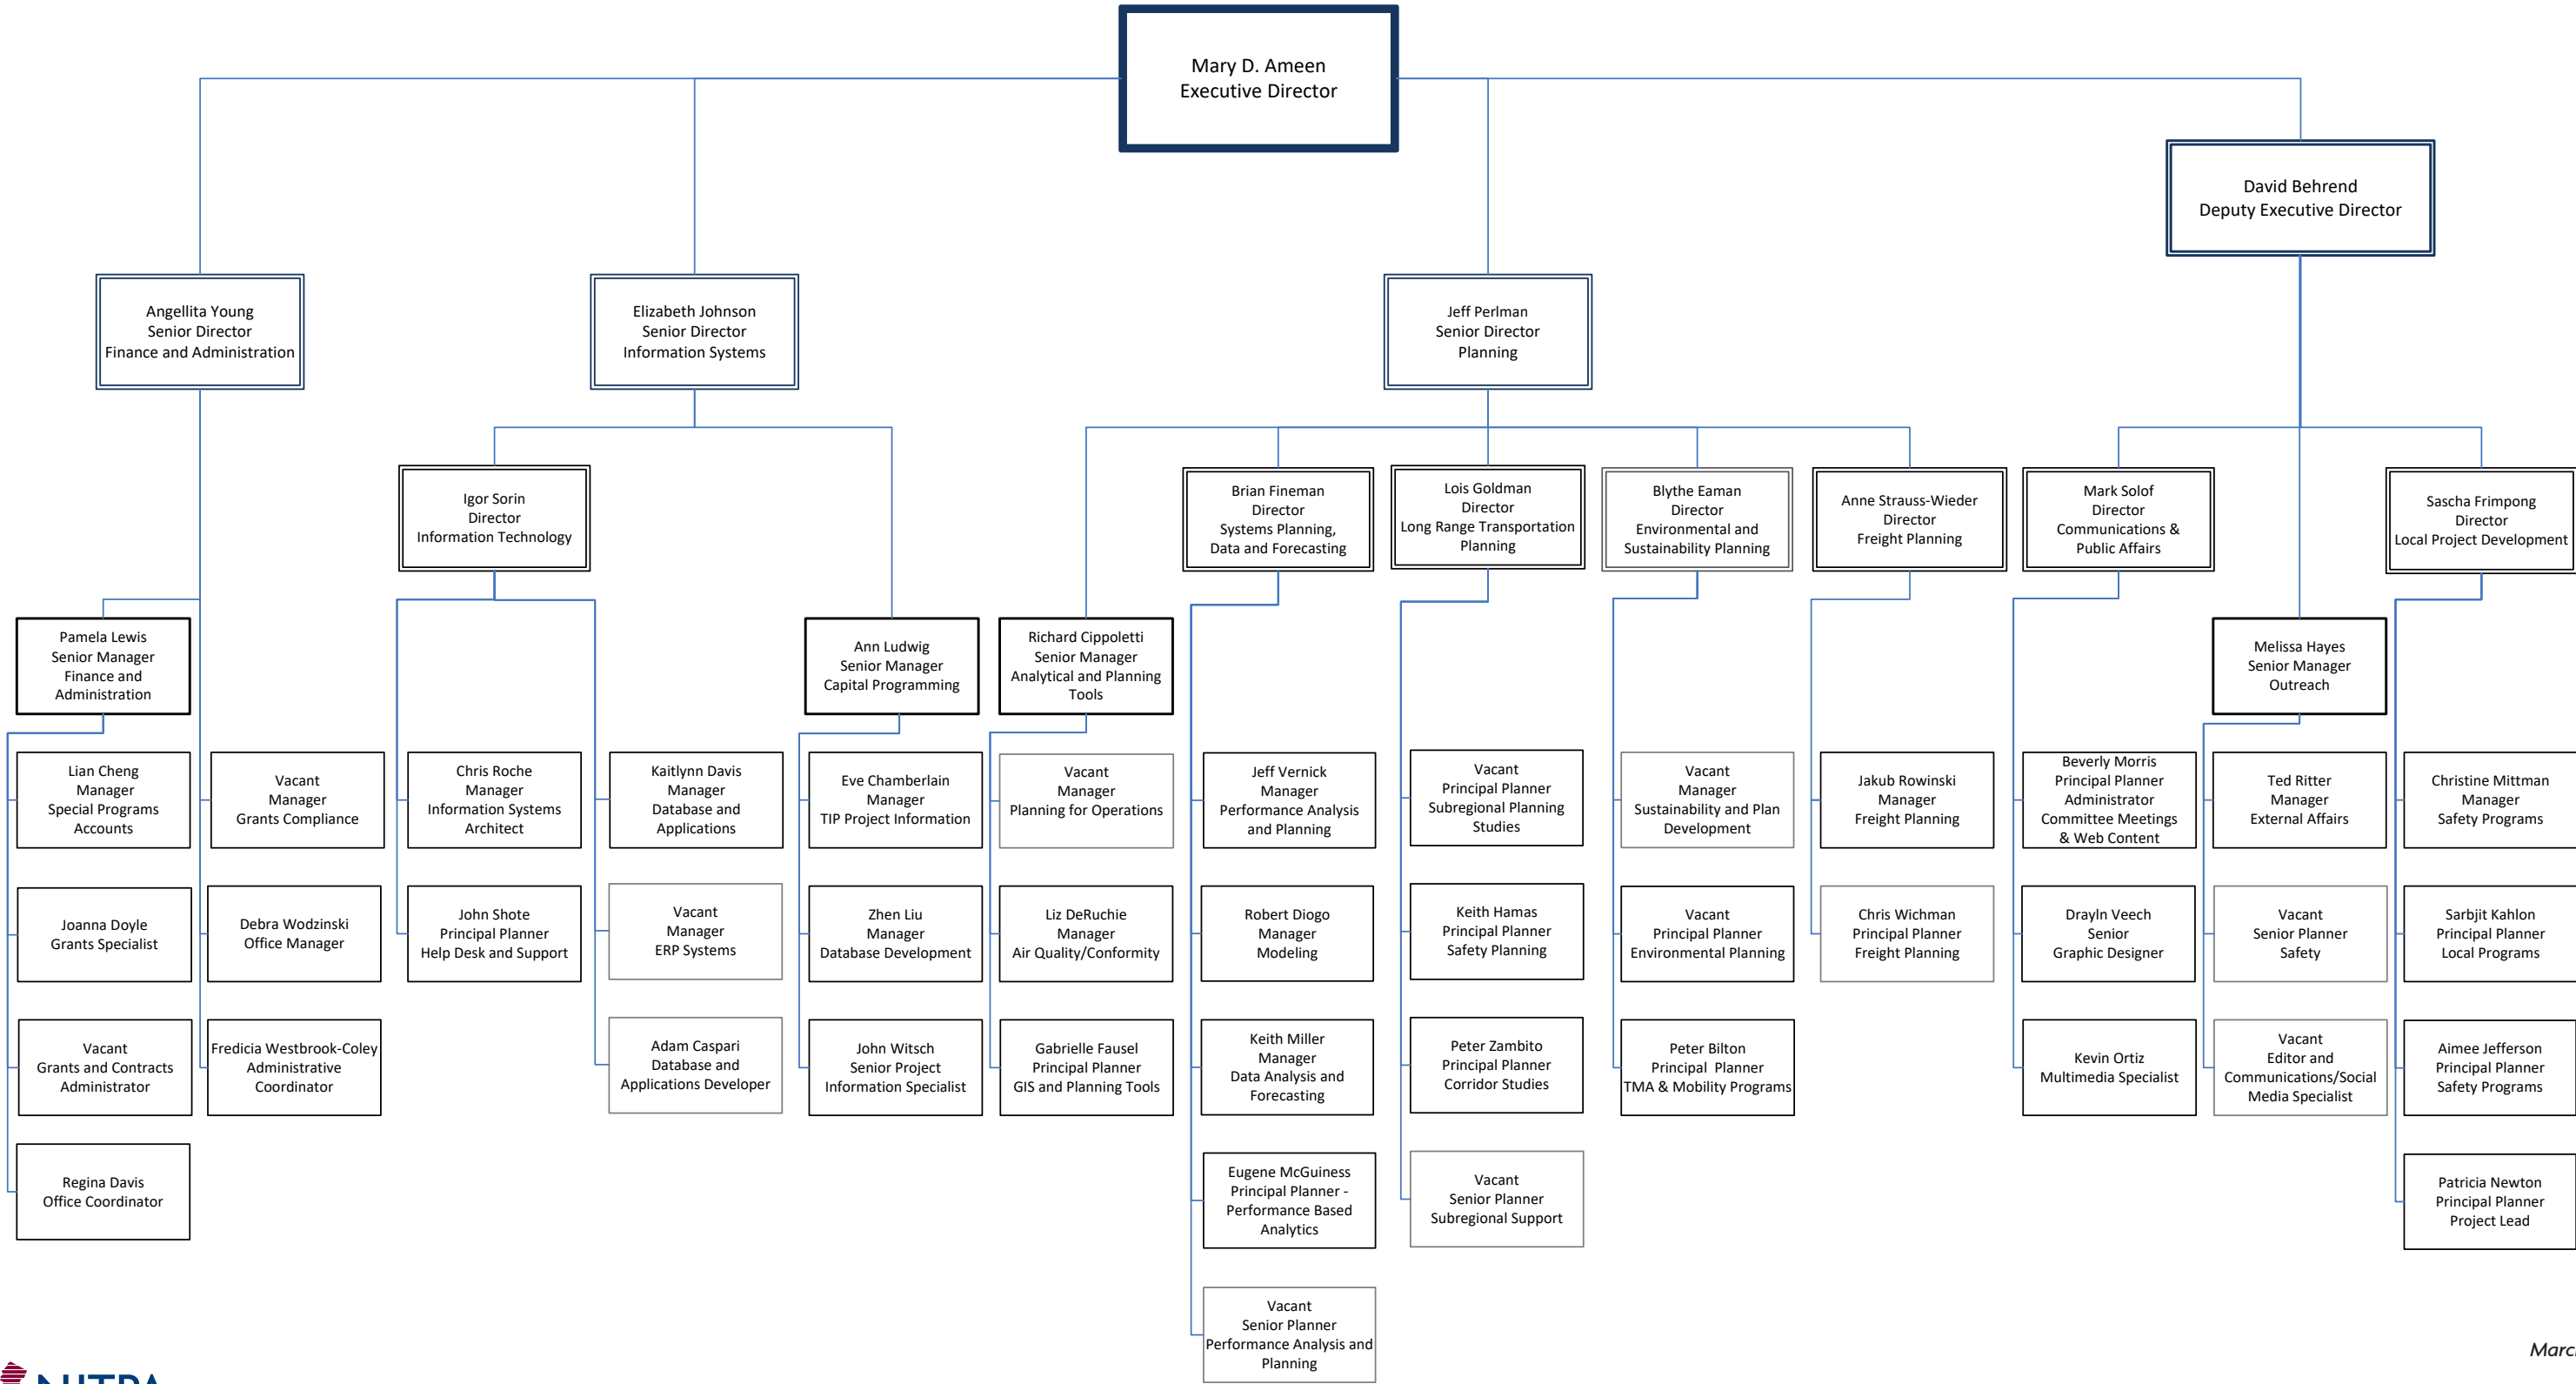

The work of the NJTPA is supported by a central staff numbering about 50 professionals including planners, programmers, engineers, administrators, and clerical personnel. Central staff operates in a support role to the NJTPA Board of Trustees.

Under the agreement explained under the Host Agency Overview tab, central staff members are employees of the New Jersey Institute of Technology under the supervision of an Executive Director who coordinates management responsibility through a Deputy Executive Director, two Department Directors, a Senior Director and seven Division Directors. The Executive Director is selected by the NJTPA Board of Trustees and is the Chief Operating Officer of the NJTPA.

Central staff activity related to the MPO's legislatively mandated responsibilities is documented in a Unified Planning Work Program (UPWP) that typically covers a two-year period and is updated annually. The UPWP is reviewed and approved by the NJTPA Board of Trustees. The UPWP summarizes and guides the transportation planning activities of the NJTPA staff, its member agencies and other transportation agencies in the region. Volume I of the eight-volume UPWP lists the task goals outlined for each division of central staff and the budget necessary to complete each task. Once the UPWP is approved, any amendments must be voted on by the Board.

All the work tasks in the current UPWP flow from the NJTPA's Long Range Transportation Plan (LRTP), which is updated every four years. The plan offers a vision of the future of transportation in the region and identifies numerous regional needs and issues to be addressed.

## **XII. NJTPA Sources of Revenue and Expenditures**

The following budget information is contained in the Draft FY 2023 Unified Planning Work Program (UPWP). The UPWP summarizes and guides the transportation planning activities of the NJTPA staff, its member agencies and other transportation agencies in the region. It typically covers two years and is updated annually. The Draft FY 2023 UPWP was approved by the Planning and Economic Development Committee at its meeting on February 22, 2022 and was scheduled to be adopted at the March 14, 2022 Board of Trustees meeting. The FY 2023 work program will go into effect July 1, 2022.

### Notes:

(1) The FY 2023 budget assumes the salaries of 58 full-time Central Staff employees, plus part-time staff for additional support (total of 66.5 FTE). The FY 2023 budget assumes a merit pool of 2.25%.

(2) The budget for fringe benefits assumes the NJIT's (the NJTPA's Host Agency) approved rates for FY 2022; actual rates for FY 2023 are subject to audit and are approved by U.S. Department of Health & Human Services.

(3) The FY 2023 budget for NJIT's Facilities and Administration Costs assumes a fixed amount, as stated in the current NJDOT Basic Agreement with NJTPA and NJIT (Agreement No. 2021-NJIT-001), calculated from a rate based on past fiscal years' audited costs that is applied to projected FY23 total operating costs.

(4) New funding to be authorized for the FY 2023 program assumes FFY21 FHWA PL, FTA flexed PL funds, STBGP-NY/NWK, STBGP-PHILA funds (STIP DB Nos. X30A, and 11383), and reprogrammed FHWA PL funds to be released from prior FY task order authorizations (Task Orders PL-NJ-18-01 and PL-NJ-21-01, and old FTA flexed funds), and a local match (in-kind).

(5) For details of the central staff budget expenses, and consultant and subrecipient subcontracts, see pages 10, 11 and 12.

### **XIII. Federal Transportation Legislation and Regulations**

### Federal Transportation Legislation

Surface transportation laws periodically reauthorized by Congress establish the requirements for the 405 MPOs across the country, including the NJTPA. The laws are implemented through regulations issued by the U.S. Department of Transportation. The most recent law, signed by the President on November 15, 2021, is the Infrastructure Investment and Jobs Act (IIJA). It is also known as the Bipartisan Infrastructure Law (BIL). Among the benefits to New Jersey, according to the USDOT:

- Repair and rebuild roads and bridges with a focus on climate change mitigation, resilience, equity, and safety for all users, including cyclists and pedestrians. Based on formula funding alone, New Jersey would expect to receive approximately \$8 billion over five years in Federal highway formula funding for highways and bridges.
- Improve the safety of our transportation system. The law invests \$13 billion over the Fixing America's Surface Transportation (FAST) Act levels directly into improving roadway safety.
- Improve healthy, sustainable transportation options for millions of Americans. Based on formula funding alone, New Jersey would expect to receive about \$4.5 billion over five years under the law to improve public transportation options across the state. In the first year, this represents about a 37 percent increase over 2021 FAST Act formula transit funding levels.
- Build a network of electric vehicle (EV) chargers to facilitate long-distance travel and provide convenient charging options. New Jersey would expect to receive about \$104 million over five years to support the expansion of an EV charging network in the state. New Jersey will also have the opportunity to apply for grants out of the \$2.5 billion available for EV charging.
- Modernize and expand passenger rail and improve freight rail efficiency and safety. The law includes \$66 billion above baseline to eliminate the Amtrak maintenance backlog and modernize the Northeast Corridor.
- Improve our nation's airports. Under the law, airports in New Jersey would receive approximately \$272 million for infrastructure development for airports over five years.

According to the National Association of Regional Councils, state and local governments can look forward to these new and expanded competitive grant programs under the law:

- Federal Transit Administration (FTA) Low and No Emission Bus Programs (\$5.6B, expanded)
- FTA Buses + Bus Facilities Competitive Program (\$2.0B, expanded)
- Capital Investment Grants (CIG) Program (\$23B, expanded)
- Federal Aviation Administration (FAA) Terminal Program (\$5B, new)
- MEGA Projects (\$15B, new) support multi-modal, multi-jurisdictional projects of national or regional significance.
- Promoting Resilient Operations for Transformative, Efficient, and Cost-saving
- Transportation (PROTECT) Program (\$8.7B, new)
- Port Infrastructure Development Program (\$2.25B, expanded)
- 5307 Ferry Program (\$150M, existing)
- Rural Ferry Program (\$2B, new)
- Federal Highway Administration (FHWA) competitive grants for nationally significant bridges and other bridges (\$12.5B, new)
- FTA All Station Accessibility Program (\$1.75B, new)
- Charging and fueling infrastructure discretionary grants (Up to \$2.5B, new)
- Reconnecting Communities Pilot Program (\$1B, new)
- FHWA Nationally Significant Federal Lands and Tribal Projects (\$1.5B, expanded)
- Strengthening Mobility and Revolutionizing Transportation (SMART)
- Rural Surface Transportation Grant Program (\$2B, new)

**XIV. By-Laws of the NJTPA**

## BY-LAWS OF NORTH JERSEY TRANSPORTATION PLANNING AUTHORITY, INC.

(Incorporated under the Laws of the State of New Jersey)

### ARTICLE I

#### POWERS OF THE CORPORATION

The Corporation shall have perpetual succession by its corporate name; may sue or be sued, complain and defend in any court; make and use a common seal and alter same at pleasure; choose such officers, managers, agents and employees as the business of the Corporation may require; promulgate and from time to time amend or repeal by-laws for the management of its property and the regulation of its affairs; may contract and be contracted with; take and hold by lease grant, gift, purchase, devise or bequest, any property, real or personal, necessary or desirable for attaining the objects and carrying into effect the purposes of the Corporation, subject, however, to any alteration or modification hereafter made by general law as to the amount of real and personal property to be held by the Corporation; may transfer and convey its real or personal property; may borrow money for the purposes of the Corporation and issue bonds therefore, and secure the same by mortgage, trust deed or other lien; may invest and re-invest its funds; and may exercise any corporate powers necessary or incidental to the exercise of the powers above enumerated.

### ARTICLE II

#### AIMS AND PURPOSES OF THE CORPORATION

The purpose of the Corporation shall be those set forth in its Certificate of Incorporation. These may include, not by way of limitation or enlargement but solely for purposes of illustration, the development of transportation systems embracing various modes of transportation in a manner which will efficiently maximize mobility of people and goods within and through urbanized areas in northern New Jersey and minimize transportation-related fuel consumption and air pollution through a continuous, cooperative and comprehensive transportation planning process and to serve as the forum for cooperative decision making, on regional transportation issues, by principal elected officials of general purpose local government in Bergen, Essex, Hudson, Hunterdon, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union and Warren counties; the cities of Newark and Jersey City; and, the State or regional agencies or representatives responsible for transportation. The efforts of the Corporation shall be designed to primarily benefit the thirteen above mentioned counties and two Cities and not necessarily the Trustees or Officers of the Corporation. In furtherance of the

aforementioned purpose, the Corporation may exercise any and all of the powers enumerated in N.J.S.A. 15A:3-1, as supplemented and amended.

Notwithstanding any other provision of this Certificate, the Corporation shall not carry on any other activities not permitted to be carried on by a corporation exempt from Federal income tax under section 501 (c)(4) of this Internal Revenue Code of 1992 (or the corresponding provision of any future United States Internal Revenue Law).

### ARTICLE III

#### OFFICE - REGISTERED OFFICE; RESIDENT AGENT

SECTION 1. Registered Office; Resident Agent. The Corporation shall have and continuously maintain a registered office at One Gateway Center, City of Newark, County of Essex, State of New Jersey and a resident agent upon whom service of process against the Corporation can be made in accordance with the laws of the State of New Jersey (N.J.S.A. 15A:1-5). The initial registered agent shall be Glenn F. Scotland, Esq., at the law firm of McManimon & Scotland, Esqs. The registered agent may be changed as the Board of Trustees, hereafter referred to as the “Board”, may designate from time to time.

### ARTICLE IV

#### BOARD OF TRUSTEES

SECTION 1. General. The business, affairs and properties of the Corporation shall be managed by a Board of Trustees which shall exercise all of the powers of the Corporation. The Corporation shall have no members.

SECTION 2. Number, Qualifications and Terms of Trustees. The number of Trustees shall be twenty (20). All Trustees shall be of legal age. The qualifications and terms of trustees are as follows:

- 1) One (1) Trustee shall be the Commissioner of the New Jersey Department of Transportation for the period that the Commissioner remains in office and, upon cessation of duty as Commissioner, the Trusteeship shall automatically pass to the new Department of Transportation Commissioner.
- 2) One (1) Trustee shall be from each of the following counties: Bergen, Essex, Hudson, Hunterdon, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union and Warren (“County Trustees”). For counties that do not operate under the County Executive form of government, the Board of Chosen Freeholders in each of the counties shall chose one of its members to serve as Trustee. For counties that operate under the County Executive form of government, the Trustee to the Corporation shall be a local elected official and shall be appointed by the County Executive and confirmed by the Board of Chosen Freeholders. County Trustees

shall serve while they remain local elected officials. For purposes of this subparagraph 2), “local elected official” shall mean the County Executive or any freeholder within the County.

3) One (1) Trustee from the City of Newark and one (1) Trustee from the City of Jersey shall be appointed by the mayor of the city and confirmed by the governing body (“City Trustees”). City Trustees shall be local elected officials and shall serve while they remain local elected officials. For purposes of this subparagraph 3), “local elected official” shall mean the Mayor or any councilperson within the City.

4) One (1) Trustee shall be the Executive Director of the New Jersey Transit Corporation. The Executive Director of New Jersey Transit Corporation shall serve as a Trustee only while holding the position of Executive Director. Upon cessation of term as Executive Director, the new Executive Director shall immediately replace the former Executive Director as Trustee to the Corporation.

5) One (1) Trustee shall be the Governor of the State of New Jersey (“Governor”) or a representative from the Governor’s Office appointed by the Governor who shall serve at the pleasure of the Governor for so long as the Governor shall remain the chief elected officer in the State.

6) One (1) Trustee shall be a citizen representative appointed by the Governor who shall serve at the pleasure of the Governor.

7) One (1) Trustee shall be the Deputy Executive Director of the Port Authority of New York and New Jersey. The Deputy Executive Director of the Port Authority of New York and New Jersey shall serve as a Trustee only while holding the position of Deputy Executive Director. Upon cessation of term as Deputy Executive Director, the new Deputy Executive Director shall immediately replace the former Deputy Executive Director as a Trustee to the Corporation.

The Initial Board shall consist of the persons set forth in the Certification of Incorporation of the Corporation. All Trustees shall serve until the expiration of their terms of office as a Trustee or until their successor is appointed. All Trustees shall have full and equal voting rights and responsibilities as members of the Board.

SECTION 3. Attendance at Meetings. Each Trustee or alternate Trustee (designated by such Trustee in accordance with Section 4 of this Article IV), in aggregate, shall attend not less than four (4) regular meetings per year and, in aggregate, shall not fail to attend three (3) consecutive regular meetings during his or her term of office. Failure to comply with the requirements of this provision shall result in automatic disqualification as a Trustee and a successor Trustee shall be selected or appointed in the manner provided in Section 2 of this Article IV.

SECTION 4. Alternates. Each Trustee may designate in writing to the Secretary of the Corporation one alternate Trustee (the “Trustee”) who shall be empowered to attend meetings and act in the Trustee’s behalf; provided, that no Alternate shall be qualified to serve as an Officer of the Corporation.

### SECTION 5. Vacancies.

(a) Elected Officials: Any vacancy, occurring by reason of death, resignation, refusal to serve, removal or otherwise, of a Trustee who was an elected local official shall be filled by an elected local official chosen or appointed in the same manner the vacating Trustee was chosen or appointed under section 2 of this article. The successor Trustee shall serve for as long as he/she remains an elected local official.

(b) Others: Any vacancy, occurring by reason of death, resignation, refusal to serve, removal or otherwise, of a Trustee who was not an elected local official shall be filled in accordance with the Article IV, section 2 procedure that the vacating Trustee was appointed under and the successor Trustee shall serve for the remainder of the vacating Trustee’s term, with the exception that, in the event of a vacancy in the office of Deputy Executive Director of the Port Authority of New York and New Jersey, the Trustee shall be the Chairman of the Port Authority of New York and New Jersey.

## ARTICLE V

### OFFICERS

SECTION 1. Number. The Officers of the Corporation shall be a Chairperson, a First Vice-Chairperson, Second Vice-Chairperson, a Third Vice-Chairperson, a Secretary, and such other Officers as may be designated by the Board from time to time to perform such duties as may be designated by the Board. Only Trustees (not alternates) of the Corporation shall serve as Officers of the Corporation.

### SECTION 2. Election and Term of Office.

(a) The Officers shall be Trustees (not alternates). The offices of Chairperson, First Vice-Chairperson, Second Vice-Chairperson and Secretary shall be elected by a majority of the Trustees to serve a two (2) year term (the “Elected Officers”). The office of the Third Vice-Chairperson shall be selected by the Chairperson in his or her sole discretion, provided that if the Elected Officers are all comprised of representatives of the same political party, then the Chairperson shall select a Third Vice-Chairperson representing a different political party.

(b) The Chairperson shall select a Nominating Committee that shall be responsible for selecting a slate of Officers to be presented to the Trustees for consideration. The Nominating

Committee shall consist of three (3) Trustees (not alternates) and different political parties shall be represented among its members.

(c) The election and selection of Officers shall take place at the regular annual meeting (as defined in Section 1 of Article VIII) of the Board in alternate years. If the election of Officers shall not be held at such meeting, such election shall be made as soon thereafter as conveniently may be. Each officer shall hold office until the next election and selection of Officers or until his or her successor shall have been elected or selected. Except as otherwise provided in these Bylaws, any vacancy occurring in any office shall be filled by the Trustees or the Chairperson, as the case may be, in the manner that the original position was filled for the unexpired term of the office so vacated. Elected Officers shall be replaced by a vote of the Trustees at a regular or special meeting of the Corporation.

SECTION 3. Removal of Officers and Agents by Trustees. Any officer or agent of the Corporation elected or appointed by the Board may be removed at any time by a 66 2/3 vote of the then membership of the Board whenever in its judgment the best interests of the Corporation will be served thereby. Such removal, however, shall be without prejudice to and shall not be in derogation of the contract rights, if any, of the person so removed. The appointment of a person to the position of officer of the Corporation shall not in and of itself create any contract rights.

SECTION 4. Duties. The duties of the Officers of the Corporation shall be those as usually pertain to such Officers of corporations generally, except as may be otherwise prescribed by these Bylaws or by the Board.

SECTION 5. Chairperson. The Chairperson shall:

(a) preside at all meeting of the members of the Board and have the power to appoint all subcommittees, designate the chairperson of subcommittees, to call meetings and serve as an ex-officio member of all subcommittees.

(b) approve the addition of items to the agenda for consideration where such items have not been submitted in accordance with the requirements of Section 3 of Article VIII.

(c) in general, perform all duties incident to the office of the Chairperson and such other duties as may be prescribed by the Board from time to time.

(d) have the power to sign and seal deeds, mortgages, deeds of trusts, notes, bonds, contracts or other instruments authorized by the Board to be executed, except in cases in which the signing and execution thereof shall be expressly delegated by the Board or by these Bylaws to some other officer or agent of the Corporation, or shall be required by law to be otherwise signed or executed.

SECTION 6. Vice-Chairpersons. The Vice-Chairpersons shall:

(a) In the absence of the Chairperson or in the event of the Chairperson's death, inability or refusal to act, in the order of their designation, perform the duties of the Chairperson, and who so acting shall have the powers of and be subject to all the restrictions upon the Chairperson; and

(b) in general perform such other duties as may be prescribed by the Board or the Chairperson from time to time.

### SECTION 7. Secretary. The Secretary shall:

(a) keep the minutes of the meetings of the Board in one or more books provided for that purpose;

(b) see that all notices are duly given in accordance with these Bylaws or as required by law;

(c) be custodian of the corporate records and seal of the Corporation, an impression of which appears below, and affix the seal of the Corporation to documents, the execution of which on behalf of the Corporation under its seal is duly authorized in accordance with the provisions of these Bylaws;

[SEAL]

(d) keep a register of the names and post office addresses of all Trustees;

(e) have general charge of the books of the Corporation;

(f) keep on file at all times a complete copy of the Certificate of Incorporation and Bylaws of the Corporation containing all amendments thereto (which copy shall always be open to the inspection of any Trustee), and at the expense of the Corporation forward a copy of the Bylaws and of all amendments thereto to each Trustee;

(g) in general, perform all duties incident to the office of Secretary, and such other duties as from time to time may be assigned to him by the Board; and

(h) also serve as Treasurer of the Corporation.

SECTION 8. Executive Director. The Trustees, after hearing the recommendation of the Executive Committee, shall elect an Executive Director to serve upon such terms as shall be determined by the Board and as may be reflected in the terms of an agreement between the Executive Director and the Board. The Executive Director shall be the chief operating officer of the Corporation, shall attend all meetings of the Board, and shall be empowered with such authority and have such duties as shall be given to the Executive Director by the Trustees. The

Executive Director shall make staffing and technical advisory recommendations to the Executive Committee for its further review and approval. For purposes of Article VII, Article X and Article XI, the Executive Director shall be deemed to be an officer of the Corporation.

SECTION 9. Expense Reimbursement. The Trustees shall be entitled to reimbursement for all costs reasonably incurred by the Trustees in the performance of their duties as Trustees of the Corporation.

### ARTICLE VI

#### Committees

SECTION 1. Executive Committee. The Officers of the Corporation shall constitute the Executive Committee. The Executive Committee may act on behalf of the Corporation in any administrative matter when the Board of Trustees is not in session including the power to hire or contract for administrative and technical services as may be required for the Corporation to carry out its corporate purposes. The Executive Committee shall not have the power to act on behalf of the Corporation in any matter related to transit or highway planning or project selection and funding. Three members shall constitute a quorum for the transaction of business. Meetings may be called by the Chairperson or by any three members of the Executive Committee. If practicable, the Secretary shall provide Executive Committee members with seven (7) days prior notice of any Executive Committee meeting.

SECTION 2. Subcommittees. The Chairperson may, at any time appoint other subcommittees on any subject for which there are no standing committees. The members of the subcommittees shall be appointed by the Chairperson and shall be given such duties and powers as necessary, and such subcommittees shall report their findings to the full Board for review and approval.

SECTION 3. Subcommittee Vacancies. The Chairperson shall have the power to fill subcommittee vacancies.

### ARTICLE VII

#### RIGHTS AND LIABILITIES OF TRUSTEES AND OFFICERS

SECTION 1. Property Interest of Trustees and Officers. No Trustee or Officer of the Corporation shall have any right, title or interest in or to any property or assets of the Corporation either prior to or at the time of any liquidation or dissolution of the Corporation.

SECTION 2. Non-Liability for Debts. The private property of the Corporation shall be exempt from execution or other liability for any debts of the Corporation and no Trustee or Officer shall be liable or responsible for any debts or liabilities of the Corporation.

## ARTICLE VIII

### MEETINGS OF THE BOARD

SECTION 1. Regular Annual Meeting. The regular annual meeting of the Board for the election of Officers shall be held on the second Monday in January (or within seven (7) days of that date) unless at the preceding meeting another date is selected. Failure to hold the annual meeting at the time designated shall not work a forfeiture or dissolution of the Corporation and in the event of such failure the annual meeting shall be held within a reasonable time thereafter.

SECTION 2. Regular Meetings. Regular meetings shall be held on the second Monday of every month (or within seven (7) days of that day) unless at the preceding meeting another date is selected.

SECTION 3. Regular Meeting Agenda. Any Trustee shall have the right to submit any items related to the business of the Corporation to the Executive Director for inclusion on the agenda at any regular meeting provided that any such item must be submitted not later than the Wednesday next preceding the regular meeting date. Any item failing to be submitted in accordance with the timing requirements specified herein may be added by the Chairperson in accordance with Section 5(b) of Article V or by a 3/5 vote of the full membership of the Board of Trustees.

SECTION 4. Special Meetings. Special meetings of the Board may be called by the Chairperson or by a majority of the Trustees and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. The Chairperson or the Trustees calling the meeting shall fix the time and place for the holding of the meeting.

SECTION 5. Notice of Board Meetings. Notice of the time and place of the regular annual meeting and of the time, place and purpose of the regular meetings shall be in writing or printed and delivered to each Trustee not less than seven (7) days previous thereto, either personally or by mail, by or at the direction of the Secretary or by or at the direction of the Chairperson or the Trustees calling the meeting. All notices of a special meeting shall state the matter to be considered at the meeting; no other business, other than that stated in the notice, shall be transacted. If delivered personally, the notice shall be deemed to be delivered when actually received by the Trustee. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to each Trustee at his address as it appears on the records of the Corporation with postage thereon prepaid. Notice may be waived before, at or after any meeting.

SECTION 6. Waiver of Notice. Any Trustee may waive in writing any notice of a meeting required to be given to that Trustee by these Bylaws. The attendance of a Trustee at any meeting shall constitute a waiver by such Trustee of any defects in the notice of such meeting except in case a Trustee shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

SECTION 7. Open Public Meetings Act. All regular and special meetings of the Board shall be open to the public and press and shall be conducted in compliance with the Open Public Meetings Act.

SECTION 8. Quorum. A majority of the then members of the Board of Trustees shall constitute a quorum. The subsequent withdrawal of any Trustees such that the number of remaining Trustees shall constitute less than a quorum shall result in the dissolution of the organized meeting and no formal action may be taken by the Board. The act of a majority of the Trustees present at a meeting at which a quorum is determined to exist shall be the act of the Board.

SECTION 9. Votes. Action may be taken and motions and resolutions adopted by the Board at any meetings by the affirmative vote of a majority of the Trustees present.

SECTION 10. Minutes, Gubernatorial Veto. The Secretary shall prepare minutes of every meeting held by the Corporation. Certified copies of the minutes of each meeting shall be sent to the Governor within ten (10) days of the meeting. The vote on any resolution may be vetoed and canceled by the Governor within ten (10) days, Saturdays, Sundays, and legal state holidays excepted, after receipt by the Governor of the certified copy of the minutes of the meeting at which the vote was cast.

### ARTICLE IX

#### NONPROFIT CORPORATION

The Corporation shall at all times be operated as a nonprofit corporation, and no income or profit of the Corporation, shall be paid or payable by the Corporation to any Trustee or Officer as such and shall be operated for the corporate purposes for which said Corporation was created.

### ARTICLE X

#### FINANCIAL TRANSACTIONS

SECTION 1. Contracts. Except as otherwise provided in these Bylaws the Board, by resolution, may authorize any officer or Officers, agent or agents, to enter into any contract or execute and deliver any instrument in the name and on behalf of the Corporation, and such authority may be general or confined to specific instances.

SECTION 2. Checks, Drafts, Etc. Except as otherwise provided in these Bylaws, all checks, drafts or other orders for payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Corporation shall be signed by such Officers, agent or agents, employee or employees of the Corporation and in such manner as shall from time to time be determined by resolution of the Board.

SECTION 3. Deposits. All funds of the Corporation not otherwise employed shall be deposited from time to time to the credit of the Corporation in such banks, trust companies or other depositories as the Board by Resolution may select or as may be designated by any officer or Officers, agent or agents of the Corporation to whom such power is delegated by Resolution of the Board.

SECTION 4. Acceptance of Gifts. the Board, any Trustee or any officer or Officers, agent or agents of the Corporation to whom such authority is delegated by resolution of the Board may accept on behalf of the Corporation any contribution, gift, grant, bequest or devise for the general purposes or for any special purpose of the Corporation.

SECTION 5. Fiscal Year. The fiscal year of the Corporation shall begin on the first day of July of each and every year and shall end on the last day of June of each and every year.

### ARTICLE XI

#### LIABILITY AND INDEMNIFICATION OF TRUSTEES AND OFFICERS

SECTION 1. General Right to Indemnification. The Corporation shall indemnify, defend and hold harmless each Trustee (including any Alternate Trustee and for purposes of this Article, hereinafter “Trustee”) and officer of the Corporation (and his heirs, executors and administrators), now or hereafter serving on the Board or on behalf of the Corporation, against all costs, expenses and liabilities reasonably incurred by him or her in connection with or arising out of any claim, action, suit or proceeding in which he or she may be involved by reason of being or having been a Trustee or Officer of the Corporation (whether or not such person continues to be a Trustee or officer at the time of incurring such costs, expenses or liabilities). The term “costs, expenses and liabilities” shall include, but shall not be limited to, court costs, counsel fees and the amount of judgments against, or amounts paid in reasonable settlement by, any such Trustee or Officer.

SECTION 2. Conditions For Indemnification. The Corporation shall not indemnify such Trustee or Officer: (1) with respect to matters as to which such Trustee or Officer shall be finally adjudged in any action, suit or proceeding to have been liable for willful default or gross negligence, consisting of individual misfeasance, malfeasance or nonfeasance, in the performance of his duties as such Trustee or Officer; or (2) in the event that a settlement or compromise of any such claim, action, suit or proceeding is effected, unless (a) the Board of Trustees shall have been furnished with an opinion of counsel for the Corporation to the effect that such settlement or compromise is in the best interests of the Corporation, and that there is no reasonable grounds for liability for willful default or gross negligence, consisting of individual misfeasance, malfeasance or nonfeasance, in the performance of the duties entrusted to such Trustee or Officer on the part of such Trustee or Officer; and (b) the Board of Trustees shall have adopted a resolution approving the terms of such settlement or compromise; and (c) such settlement or compromise shall be approved by the court having jurisdiction of such claim, action, suit or proceeding, with knowledge of the indemnification provided for hereby.

SECTION 3. Right To Indemnification Not Exclusive. The foregoing rights of indemnification shall not be deemed exclusive of any other rights to which any Trustee or Officer or their heirs, executors and administrators may be entitled as a matter of law.

SECTION 4. LIABILITY OF TRUSTEES AND OFFICERS. Notwithstanding the above, neither a Trustee nor an Officer shall be personally liable to the Corporation for damages for any breach of any duty owed to the Corporation, except a breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the Corporation; (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

## ARTICLE XII

### MISCELLANEOUS

SECTION 1. Rules and Regulations. The Board shall have power to make and adopt such rules and regulations not inconsistent with law, the Articles of Incorporation, or these Bylaws, as it may deem advisable for the management of the business, affairs and property of the Corporation.

SECTION 2. Staff Support. The Chairperson may request such staff and technical support services from member agencies as necessary to assist the Board in carrying out its responsibilities.

SECTION 3. Books and Records. The Corporation shall keep correct and complete books and records of account and shall also keep minutes of the proceedings of its Board of Trustees. All books and records of the Corporation may be inspected by any Trustee for any proper purpose.

SECTION 4. Meeting Procedures. Unless specified otherwise, the latest annotated Revision of Robert's Rules of Order will govern the procedural conduct of the meetings.

SECTION 5. Waiver of Notice, Lapse of Time. Whenever under these Bylaws or the provisions of applicable law the Board or any committee thereof is authorized to take any action after notice to any person or persons or after the lapse of a prescribed period of time, such action may be taken without such notice and without the lapse of such period of time, if at any time before or after such action is completed the person or persons entitled to such notice, or entitled to participate in the action to be taken, submits a signed waiver of notice of such requirement.

### ARTICLE XIII

#### AMENDMENTS

These Bylaws may be altered, amended or repealed by Resolution adopted by the affirmative vote of 66 2/3% of the Trustees present at the regular or special meeting, provided a quorum, as provided in these Bylaws, be present and provided the notice of such meeting shall have contained a copy of the proposed alteration, amendment or repeal.

CERTIFICATE

I, the undersigned Secretary of the North Jersey Transportation Planning Authority, hereby certify that the above is a true copy of the Bylaws of said Corporation duly adopted and in full force and effect.

STATE OF NEW JERSEY  
OFFICE OF THE GOVERNOR

THOMAS H. KEAN  
GOVERNOR

April 21, 1982

Mr. John G. Bestgen, Jr.  
Regional Administrator, USDOT  
FHWA-Region I  
Leo W. O'Brien Federal Building  
Room 729  
Clinton Avenue & North Pearl Street  
Albany, New York 12207

Dear Mr. Bestgen:

The present Metropolitan Planning Organization for Northeastern New Jersey, the Tri-State Regional Planning Commission (Tri-State), was formed by a compact among the states of New Jersey, New York and Connecticut. This compact provided that upon the withdrawal of any of the member states, the commission would automatically dissolve. On May 1, 1982, pursuant to its law, Connecticut will withdraw from Tri-State and thereby cause the dissolution of the Tri-State organization. It is, therefore, necessary for me to designate a successor MPO for our portion of the Tri-State region in order to meet federal requirements.

For several years, the Northeast New Jersey Transportation Coordinating Committee (NENJTCC) has been serving as the policy committee of local elected officials to provide policy input to Tri-State for our portion of the region. Both the New Jersey Department of Transportation and the Statewide agency responsible for public transportation, NJ TRANSIT, are members of this Committee. NENJTCC has closely followed the impending dissolution of Tri-State and has worked with the Department of Transportation and NJ TRANSIT to prepare a successor MPO.

On March, 1, 1982, the NENJTCC passed a resolution calling on me to designate it as New Jersey's successor MPO. Since the NENJTCC is a forum for cooperative transportation decision making by principal elected officials of general purpose local government, and State transportation agencies, and because the NENJTCC has shown a substantial commitment to improving the transportation system of Northeast New Jersey, I am designating it, as of April 19, 1982, the MPO and the lead planning agency for transportation air quality planning for this region.

Mr. John G. Bestgen, Jr.

Finally, the NENJTCC does not currently have the facilities to receive federal funds or enter into contracts. Therefore, the New Jersey Department of Transportation has agreed, at the request of the NENJTCC, to be the applicant and recipient of federal planning funds for the MPO and to assume responsibility for the administrative functions related to these grants.

Sincerely,

GOVERNOR

TENTH: The duration of the corporation shall be perpetual.

ELEVENTH: Upon the dissolution of the corporation, assets shall be distributed for one or more exempt purposes within the

meaning of Section 501(c) of the Internal Revenue Code, or the corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a public purpose. Any such assets not so disposed of shall be disposed of by a Court of Competent Jurisdiction of the county in which the principal office of the corporation is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

TWELFTH: A trustee or officer shall not be personally liable to the corporation for damages for breach of any duty owed to the corporation, except that this Article twelfth shall not relieve a trustee or officer from liability for any breach of duty based upon an act or omission (1) in breach of such person's duty of loyalty to the corporation, (2) not in good faith or involving a knowing violation of law or (3) resulting in receipt by such person of an improper personal benefit.

IN TESTIMONY WHEREOF, each individual incorporator, being over eighteen years of age, has signed this certificate; or if the incorporator be a corporation, has caused this certificate to be signed by its duly authorized officer this 19th day of January, 1994.
