

NJTPA LOCAL SAFETY PROGRAM

ESSEX COUNTY

Traffic Signal and Roadway Improvements— 12 Intersections, Essex County

**Funding awarded:
\$8,238,000**

Essex County received a \$8,238,000 grant for this project through the NJTPA's FY 2020 Local Safety Program (LSP). The grant includes funding for construction and construction inspection services. The project will improve safety and overall operations at 12 intersections throughout the municipalities of West Orange, Orange, Verona, Millburn, Nutley, Belleville, Montclair and Glen Ridge.

Project Details

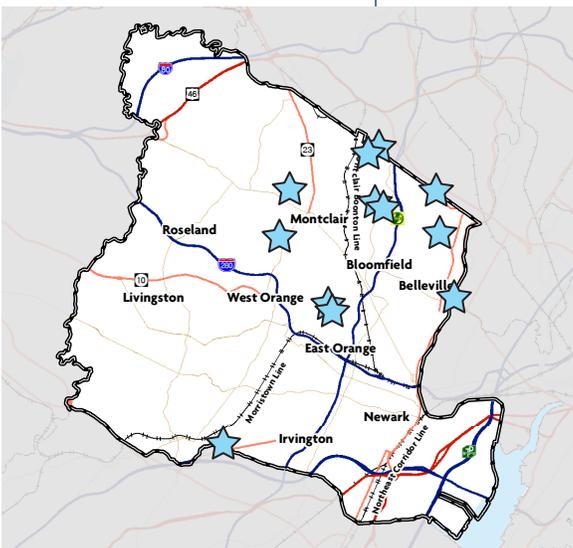

Improvements will include: signal upgrades, pedestrian signal upgrades, curb-extensions where feasible, pedestrian refuge islands where feasible and lead pedestrian intervals. New traffic signals will be installed at two intersections, Fairview Avenue and Personette Avenue (Verona) and Franklin Avenue Church Street and Booth Drive (Nutley).

About the Project Area

See the table on the following page for location and area description.

The Local Safety Program

The LSP specializes in cost-effective solutions that can make an immediate impact on their target areas. The LSP is federally funded, utilizing Highway Safety Improvement Program funds. It was established by the NJTPA in conjunction with the Federal Highway Administration and New Jersey Department of Transportation to advance safety initiatives on county and local roads. For more information, visit njtpa.org/LocalSafety.
