

NJTPA
LOCAL
SAFETY
PROGRAM

**Hooper Avenue
(CR 620) and
Church Road/
Kettle Creek
Road, Ocean
County**

**Funding awarded:
\$1,594,636**

Ocean County received a \$1,594,636 grant for this project through the NJTPA's FY 2020 Local Safety Program (LSP). The grant includes funding for construction and construction inspection services. The project will improve safety and overall operations the intersection of Hooper Avenue (County Route 620) and Church Road/Kettle Creek Road in the Township of Toms River.

Project Details

Improvements will include signal upgrades and additional right-turn lanes.

About the Project Area

The intersection of Hooper Avenue and Church Road/Kettle Creek in Toms River Township is a 4-leg signalized intersection. A road safety audit (RSA) for the project area was conducted in December 2019 and many of the intersection recommendations will be built in this project. To view the complete findings and recommendations of the Hooper Avenue RSA report, visit njtpa.org/rsa.

The Local Safety Program

The LSP specializes in cost-effective solutions that can make an immediate impact on their target areas. The LSP is federally funded, utilizing Highway Safety Improvement Program funds. It was established by the NJTPA in conjunction with the Federal Highway Administration and New Jersey Department of Transportation to advance safety initiatives on county and local roads. For more information, visit njtpa.org/LocalSafety.
