

NJTPA LOCAL SAFETY PROGRAM

Monmouth Road from Burnt Tavern/ Anderson Rd. and Allyson Road

**Funding awarded:
\$2,958,000**

MONMOUTH COUNTY

Thomas A. Arnone
Monmouth County Commissioner
NJTPA Trustee

Monmouth County received a \$2,958,000 grant for this project through the NJTPA's FY 2022 Local Safety Program (LSP). The grant includes funding for preliminary engineering, final design, construction and construction inspection services. The project will improve safety and overall operations at four intersections on the border between Jackson and Millstone Townships.

Project Description

Improvements will include: a roundabout, upgraded guiderails, dedicated left-turn lanes, accessible curb ramps, high-visibility crosswalks, upgraded signs and pavement markings.

About the Project Area

Monmouth Road (CR 537) is under the jurisdiction of Monmouth County and runs in an east-west direction providing

connectivity from the Freehold area to the I-195 interchange and the Great Adventure amusement park. The existing cross-section varies between two and four lanes. Land use in the project area is primarily commercial with the Jackson Premium Outlets at the location of the proposed roundabout.

The Local Safety Program

The LSP specializes in cost-effective solutions that can make an immediate impact on their target areas. The LSP is federally funded, utilizing Highway Safety Improvement Program funds. It was established by the NJTPA in conjunction with the Federal Highway Administration and New Jersey Department of Transportation to advance safety initiatives on county and local roads. For more information, visit njtpa.org/LocalSafety.
