

NJTPA LOCAL SAFETY PROGRAM

Various Intersections

**Funding awarded:
\$10,709,000**

U N I O N C O U N T Y

Bette Jane Kawalski
Union County Commissioner
NJTPA Secretary

Union County received a \$10,709,000 grant for this project through the NJTPA's FY 2022 Local Safety Program (LSP). The grant includes funding for preliminary engineering, final design, construction and construction inspection services. The project will improve safety and overall operations at 14 intersections throughout the municipalities of Berkeley Heights, Linden, New Providence, Roselle and Summit.

Project Description

Improvements will include: dedicated left turn lanes, accessible curb ramps, high-visibility crosswalks, and NJDEP compliant storm water management upgrades. New traffic signals will be installed at 10 intersections.

The Local Safety Program

The LSP specializes in cost-effective solutions that can make an immediate impact on their target areas. The LSP is federally funded, utilizing Highway Safety Improvement Program funds. It was established by the NJTPA in conjunction with the Federal Highway Administration and New Jersey Department of Transportation to advance safety initiatives on county and local roads. For more information, visit njtpa.org/LocalSafety.
